

Animals Asia is looking for a skilled Community Fundraiser to join our team. As Community Fundraising Manager you will have excellent organizational skills and experience building rapport with a wide variety of people. Previous community fundraising experience is essential. Demonstrable experience of managing and motivating a team of paid staff or volunteers to achieve goals and/or targets is essential.

Essential Criteria:

- Excellent people management and organizational skills
- Great communication skills coupled with a positive attitude, energy and persistence needed for community fundraising
- Investigative flair to explore new fundraising opportunities
- A self motivator with an ability to make opportunities happen
- Holds a full clean driving licence
- Flexibility is required around working days/hours, travel and leave constraints

This role is for someone with confidence, credibility and resilience – a self starter with energy and a passion for fundraising and animal welfare.
