Until the cruelty ends

Other ways to help

Thank you for supporting Animals Asia

Did you know there are a number of different ways you can help us end animal suffering that aren't hosting an event or fundraising? Here are some ideas that you might not have thought of...

The Phone Coop

Join their Affinity Scheme and donate your points to Animals Asia. Please visit their website www.thephone.coop or Tel: **0845 4589000** quoting our reference **AF0271**.

ebay

Animals Asia Foundation is a registered eBay charity - this means that when you sell goods on eBay, you can donate all or part of your proceeds to us.

And, as well as raising money for us it will also help raise awareness with potential buyers and may even increase your selling price as buyers like to see their money going towards a good cause.

To get started all you need to do is:

- **Select 'Animals Asia Foundation' as your chosen charity when listing your item – usually at the bottom of your listing.**
- **Choose the percentage of proceeds to go towards our work**

Used Stamps

Please send your used stamps to: **Animals Asia Foundation, Office 17, Mary Seacole Road, The Millfields, Plymouth, PL1 3JY**

Your stamps will be passed on, along with those sent in by other supporters, to a company called '**Charity Stamps**' who kindly sort and sell them on our behalf. If you have a large amount of stamps please contact us before sending them in on UKQueries@animalsasia.org.uk

Give as you Live

Shop with your favourite stores online and they'll donate to Animals Asia Foundation. Simply visit: www.giveasyoulive.com/join/animalsasiafoundation

Everyclick.com

This is your chance to raise money for us just by searching the web through www.everyclick.com. Everyclick is an internet search engine that donates half its revenue to charity. Every time you use this search engine, you will be raising money for us – and it doesn't cost you or us a penny!

Please go to www.everyclick.com/uk/animalsasiafoundation

Easyfundraising.org.uk & Easysearch.org.uk

Easy fundraising is a shopping directory listing some of your favourite stores. Whenever you shop with any one of them using the links provided on the easyfundraising site, you'll generate a donation for us of up to 15 per cent of the purchase price.

It's free to register and you won't pay a penny more for your shopping, in fact you can even save money as many retailers give discounts, special offers and 'e-vouchers' exclusive to easyfundraising. All you need to do is register for free at www.easyfundraising.org.uk and use easyfundraising every time you shop online.

Another great search engine donating a percentage of their revenue to us is: www.easysearch.org.uk. It's free to use and if you make just 10 searches a day, you could raise around £20 a year for us - what could be easier?

Give or Take

Give or Take is an online marketplace where members can purchase goods from all the leading online retailers including many familiar high street names such as John Lewis, Tesco, WH Smith, Dixons and Curry's.

Shoppers buy what they want from one or more stores, and check out on the retailers' websites as they normally would. However, instead of that being the end of the shopping process, the relevant amount of 'cashback' you have earned from your purchase will be donated to us.
